Drama Ministry

Drama is like a parable: a short story that reveals an important truth. As a member of our Drama Team, you'll make new friends and share your gifts by participating in short sketches that point to the theme of the day. Our goal is to have drama offered once a month during all worship services; scripts are distributed and rehearsed well in advance. Actors and actresses of all ages and levels of experience are welcome!

VOLUNTEER OPPORTUNITIES

As a member of our Drama Team, you will get a chance to make new friends, share your gifts, and participate in short sketches that point to the theme of the day. Some are silly and some are sad, but all are intended to help bring people to a place where God can touch their hearts.
