MINISTRY OPPORTUNITIES FOR ALL AGES...

*“Come, let us praise the Lord! Let us sing for joy to God, who protects us! Let us come before him with thanksgiving and sing joyful songs of praise.”
Psalm 95:1-2*

There are so many ways for you to “improve your serve” here at PLC...Worship Arts is one of them! From music to dance to drama, there are so many ways to serve and so many needs as we continue to grow as a congregation. Please prayerfully consider helping in one of the following areas...

A NOTE FROM ANDREW...

If you are not ready to help out at this time, please pray for the ministry and members of the Worship Arts team. Many times our worship events are the first “point of contact” people have with Prairie Lutheran...as the leader of the Worship Arts team, it is an honor to serve this congregation. My prayer is that nothing we do will distract people from this message: “God loves you just the way you are!”

WORSHIP TEAM

Our Worship Teams lead the congregation in song each week. People on the Worship Team usually sing twice a month. Give it a couple of tries...you may find that you enjoy participating. You’ll love the people who are already involved in this vital ministry!

If you play an instrument, there is a place for you here at PLC! Whether you play drums, guitar, flute, trumpets, sax, horns or harmonica...there’s an opportunity for you to share your talents.

SCRIPTURE READING/READING COORDINATOR

Read Scripture during one of our worship services. You will receive the reading prior to the Sunday you read, and help pronouncing the difficult words. The Reader Coordinator will help schedule readers into a given worship service, according to their preference.
