

God's Work. Our Hands.

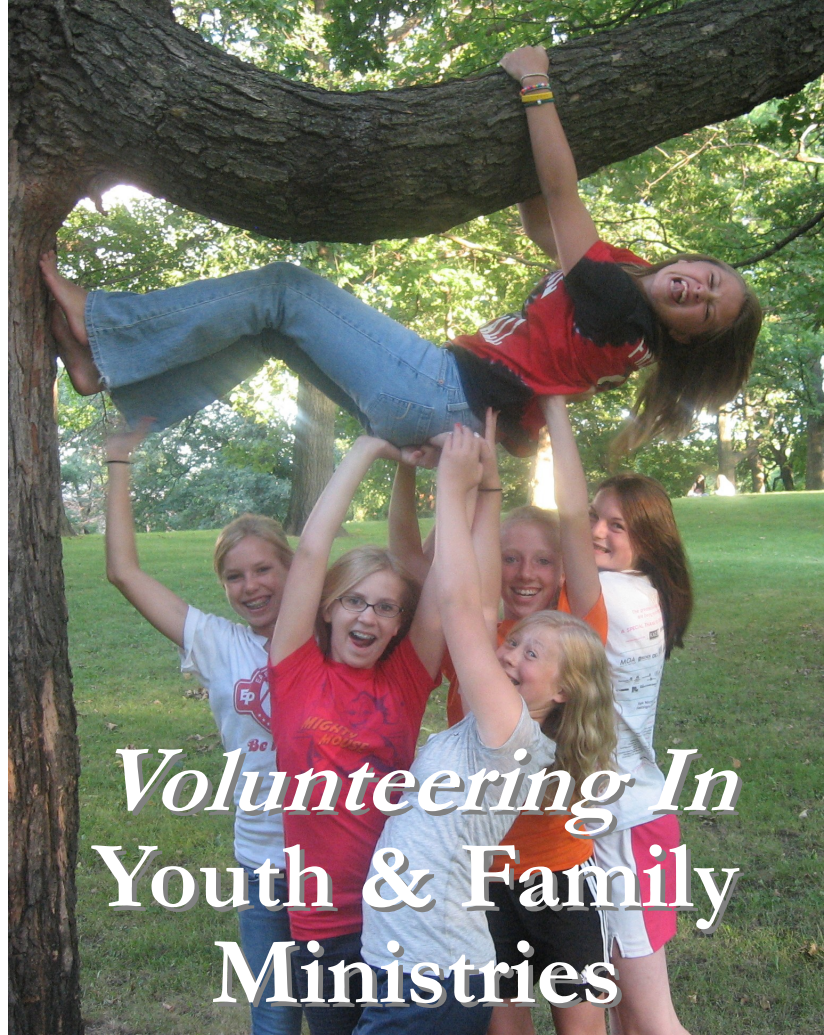

Here's How to Lend a Hand...

Help us communicate the Gospel to our teenagers by serving on a Wednesday night. Every Wednesday night our youth in middle school gather for worship and learning while our high school youth gather in Servant Leader Teams. This is a great time to meet the students and see all the ways our adults are helping. You'll need to be available from 6:30-8:00pm on a Wednesday night. Email Marcia at mevenson@prairielutheran.org and give it a try!

Why would I want to help with teenagers...

When we ask for volunteers for our youth ministry events we often hear a variety of reasons why not to help. You don't have to be a parent of a teenager to volunteer in this ministry. We are looking for CRAFTY individuals (Caring, Respectful, Available, Fun, Truth-seeking and Youthful). All adults have a valuable thing called life experience that enables them to be a great resource for our youth. Use it today! Thanks for being interested; we can't wait to have your help!

VOLUNTEER OPPORTUNITIES:

Special Event Ministry:

- **Drivers** - Adult willing to transport youth in their own vehicle and participate in the accompanying service or activity. I love mini-vans!
(Weekends throughout the year)
- **Retreat Leaders** - Adult willing to spend an entire weekend with teenagers learning about God, transporting them in vehicles, staying up late, enforcing rules, and playing games. Advanced planning is often required.
(Weekends throughout the year)
- **Mission Trip Leaders** - Adult who will travel with students to serve others and share in God's grace.
(Summer, weeklong trips)

Regular Ministry:

- **Small Group Leaders** - Adult-types who engage students in conversation, listen to problems, and challenge them in their faith.
- **Coffee Hour Leaders** - Adult willing to drive a group of students to a coffee shop and lead them in a short Bible Study.
(Sunday Morning: 9:30am-10:30am)
- **House Group Leader** - Adults who can hang out, play games, be goofy, stir up conversation, and be authentic with our high school kids about life. We really need leaders, who can relate to kids and help them process the spiritual side of life without being in a formal "teaching" setting.
(Sunday nights 7:00pm-8:00pm)
